Are You Ruptured?

If so, have you given up all hope of ever being cured? You have tried many kinds of trusses and failed. Let me tell you what the trouble was. The Truss you have worn had a convex surface, like this, but before the concave invention of Dr. J. D. Rowley a one had thought of constructing a

truss like this, reader, is the whole secret; it will hold your rupture, no matter what position you may assume--sneezing, cough or run--you can't get it out of place. No matter where you are ruptured--man, woman or child--it will give you relief from the start, and will not cost you a fancy price, and your money refunded if it is not "O. K."

This is as fair a statement as one could ask for. If you go on and suffer it means that you are too poor and don't care about your condition. If this is true, I am sorry for you, for this apparatus will cure you. It has cured hundreds of sufferers before you and has yet to fail. Here are a few names that have been cured by this treatment that you may write to and see what it has done for them. They are all well known people in their communities and will gladly answer your letters: H. C. Branson, Ottawa, Kansas, 48 years ruptured. N. J. Carriker, Kansas City, Mo. Dr. F. M. Crumly, No. 315 East Eighth street, Kansas City, Mo. J. B. Harnes, attorney at law, Shoeny Building, Kansas City, Mo. J. D. Carter, Stock Exchange, Kansas City, Mo. Bert Harding, Eighteenth Street Power House, Kansas City, Mo. Mrs. A. M. West, 1709 Wyoming street, Kansas City, Mo. Mary E. Andrews, Lawrence, Kansas, and hundreds of others.

In writing enclose stamp to get prompt reply. Call on Dr. J. D. Rowley, at 301 E. Douglas, Wichita, Room 2.
